# 9 Things:

## A BACK-TO-BASICS GUIDE TO CALM, COMMON-SENSE, CONNECTED PARENTING BIRTH–8 FOR PARENTS

**Are you struggling with your toddler? Wondering where to next when time-outs and sticker charts don't work? Confused by an often angry child? Join one of Australia's most-loved parenting authors and educators Maggie Dent as she explores the '9 Things' that truly matter in raising children eight and under, and why they matter so much. This seminar is based on Maggie's popular book of the same name, and offers a back-to-basics, common-sense guide for anyone working or raising babies, toddlers and young children to help them be able to thrive and be ready for school and life.**
